

Product Information

EternalArts Stereo Power Amplifier PAS 'magic eye'

Classic, discreetly constructed transistor output stage in a continuous double mono construction (double power supply unit)

Level display (can be switched off) via display tubes EM80, so-called magic fans

Technical Data

max. output power	2 x 100 watt music power
output power (4/8 ohms)	70/55 watt; 1% THD
frequency response (1 dB)	5 - 110.000 Hz
distortion factor (THD; 5W/8 Ohm)	0,004 %
Signal-to-noise ratio (A; at 5 W)	100 dB
damping factor	400
input impedance	10 KOhm
dimensions	17,1" width x 15" depth x 3" hight
weight	21,6 pounds
